

Misbranding, Section 502 (a), the label statement "Each cc. contains Vit. B-12 30 mcg." was false and misleading as applied to the article, which contained less than the stated amount of vitamin B₁₂.

DISPOSITION: December 3, 1952. Default decree of condemnation and destruction.

3940. Misbranding of Campbell's Chemical Mix. U. S. v. 2 Cases * * *. (F. D. C. No. 34114. Sample No. 14539-L.)

LIBEL FILED: November 7, 1952, District of Idaho.

ALLEGED SHIPMENT: On or about October 13, 1952, by the S & L Campbell Co., from Dupont, Colo.

PRODUCT: 2 cases, 1 containing 12 boxes and 1 containing 10 boxes of *Campbell's Chemical Mix* at Buhl, Idaho. Analysis indicated that the product consisted essentially of ammonium chloride, with relatively small proportions of sodium chlorate and potassium chlorate.

LABEL, IN PART: (Box) "Campbell's Chemical Mix For Cattle and Sheep * * * Net Wt. 3 lbs."

NATURE OF CHARGE: Misbranding, Section 502 (a), the following statements on the label of the article were false and misleading: "Campbell's Chemical Mix For Cattle and Sheep" and (instructions for feeding sheep and cattle on alfalfa or clover) "put one 3-lb. package of Campbell's Chemical Mix to 100 lbs. No. 4 salt and mix thoroughly. Put in troughs where they can have access to it at all times. When feeding dairy cows chop or bran, put $\frac{1}{4}$ teaspoonful in the chop or bran twice daily out of the 3-lb. package. For drench, mix one teaspoonful in $\frac{3}{4}$ quart of water and drench. We recommend force feeding when grain is fed—feed about 2 or 3 days before turning on clover or alfalfa." The statements represented and suggested that the article was effective as a remedy for the diseases of cattle and sheep, for any ill effects upon sheep and cattle resulting from eating alfalfa or clover, or upon dairy cows from eating chop or bran, and for preventing ill effects upon cattle from grazing on clover or alfalfa. The article was not effective as a remedy for any diseases of sheep or cattle, and it was not capable of fulfilling the promises of benefit made for it.

DISPOSITION: December 15, 1952. Default decree of forfeiture and destruction.
